Yorkshire Breakfast Menu

We are proud of the quality of products found in Yorkshire and source them wherever possible!

Our sausages and bacon come from local Filey Butcher, Adrian Colling; our eggs are laid by 'Happy Hens' who live on Emmerson's Farm in Hunmanby; our 'finny' haddock and smoked salmon is supplied by Lovitts Fish Merchants of Filey; our yoghurts are from Longley Farm, Holmfirth; our 'own-label' marmalade and jams are made by The Fruity Kitchen, near York; our teas are from Taylors of Harrogate and our House Coffee is from the York Coffee Emporium.
